

## REMARKS

This Supplemental Amendment is being filed in order to correct some typographical errors that appear in the Remarks portion of the amendment filed April 3, 2006.

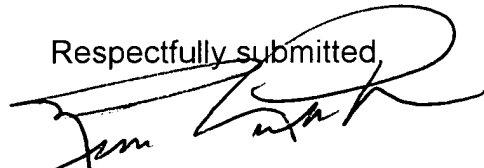

The first paragraph of the Remarks portion should read as follows:

"Applicant has renumbered claims 1-6 as claims 36-41 based on the suggestion of the Examiner. However, to avoid confusion, applicant did not use the terminology "currently amended" along side the renumbered claims except for amended claims 36 and 39. Accordingly, only claims 36 and 39 are shown as being "currently amended" and claims 37, 38, 40 and 41 are indicated as previously presented based on the Preliminary Amendment."

Applicant has corrected claim numbering. It is requested that when the Examiner is reading the Remarks portion of the previously filed amendment, the Examiner use the above paragraph for proper identification to the claims. If the Examiner needs further clarification, he is requested to call the undersigned at the phone number given.

Reconsideration and allowance of claims 36-41 is respectfully solicited.

Respectfully submitted,

Eugene Lieberstein
